Mission

Transform parents into agents of positive change and advocates for their children's educational opportunities and wellbeing.

Vision

We aim to build a community where parents are actively engaged with their children's education.

About us

Parent Engagement Academy

Parent Engagement Academy is a non profit organization consisting of a dynamic group of professionals with a passion for education and creating positive impact in the future of our children.

We bring over 26 years of experience in parent engagement, serving families.

Our values

Integrity

We uphold an honest approach supported by our strong work ethic and trust

Excellence

We pride ourselves with the commitment to your family and the quality of our programs and services

Diversity

We understand and embrace the beliefs, values, norms and behaviors of our culturally diverse society

Impact

We strive to make a long-lasting impact and empower families and their communities

Parent Engagement Workshops

Parent Engagement Academy

We provide practical parent engagement courses focusing on the social, emotional and physical development of children from our communities.

Our workshops incorporate useful academic information and 21st century skills.

Furthermore, our research - based curriculum aims to improve student's academic achievement, and parent engagement in k-12 schools.

The program is implemented in 3 big Modules:

- Orientation & 5 Classes**
- School Presentation**
- Graduation**

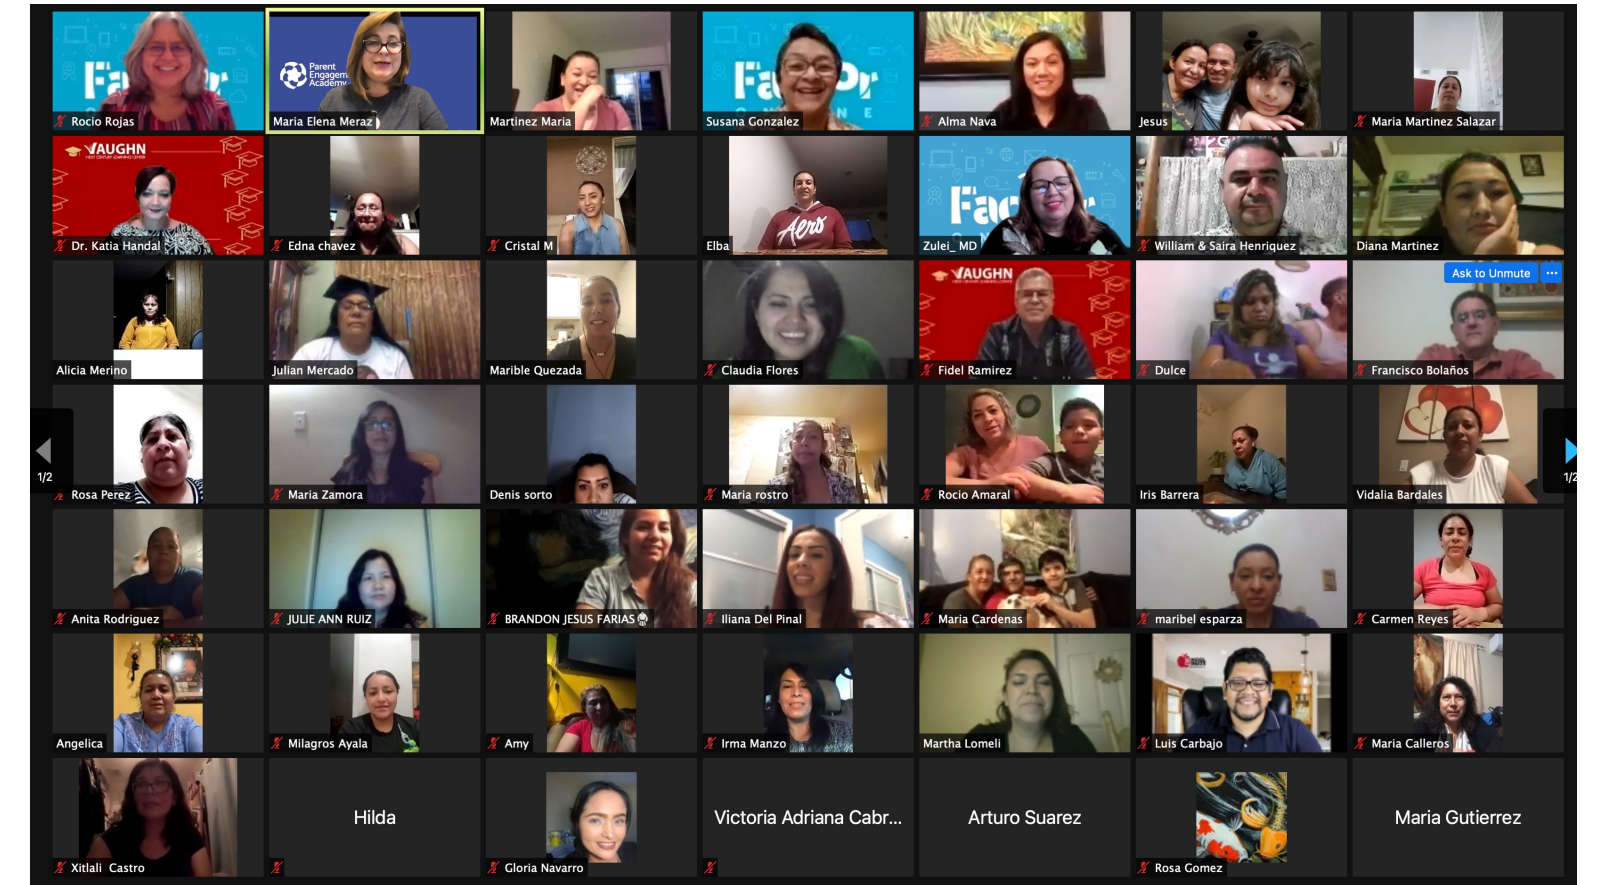

Parent Engagement Workshops

Parent Engagement Academy

Flexible and Interactive Program

Research based curriculum which provides parents with the tools and relevant information they need to successfully navigate the school system.

- **5 training weeks**
- **Understanding the steps to help your children be successful at school**
- **A recruiter from FACTOR will call you with more information about dates and times**

Parent Engagement Workshops

Parent Engagement Academy

Program Description

Ready to learn

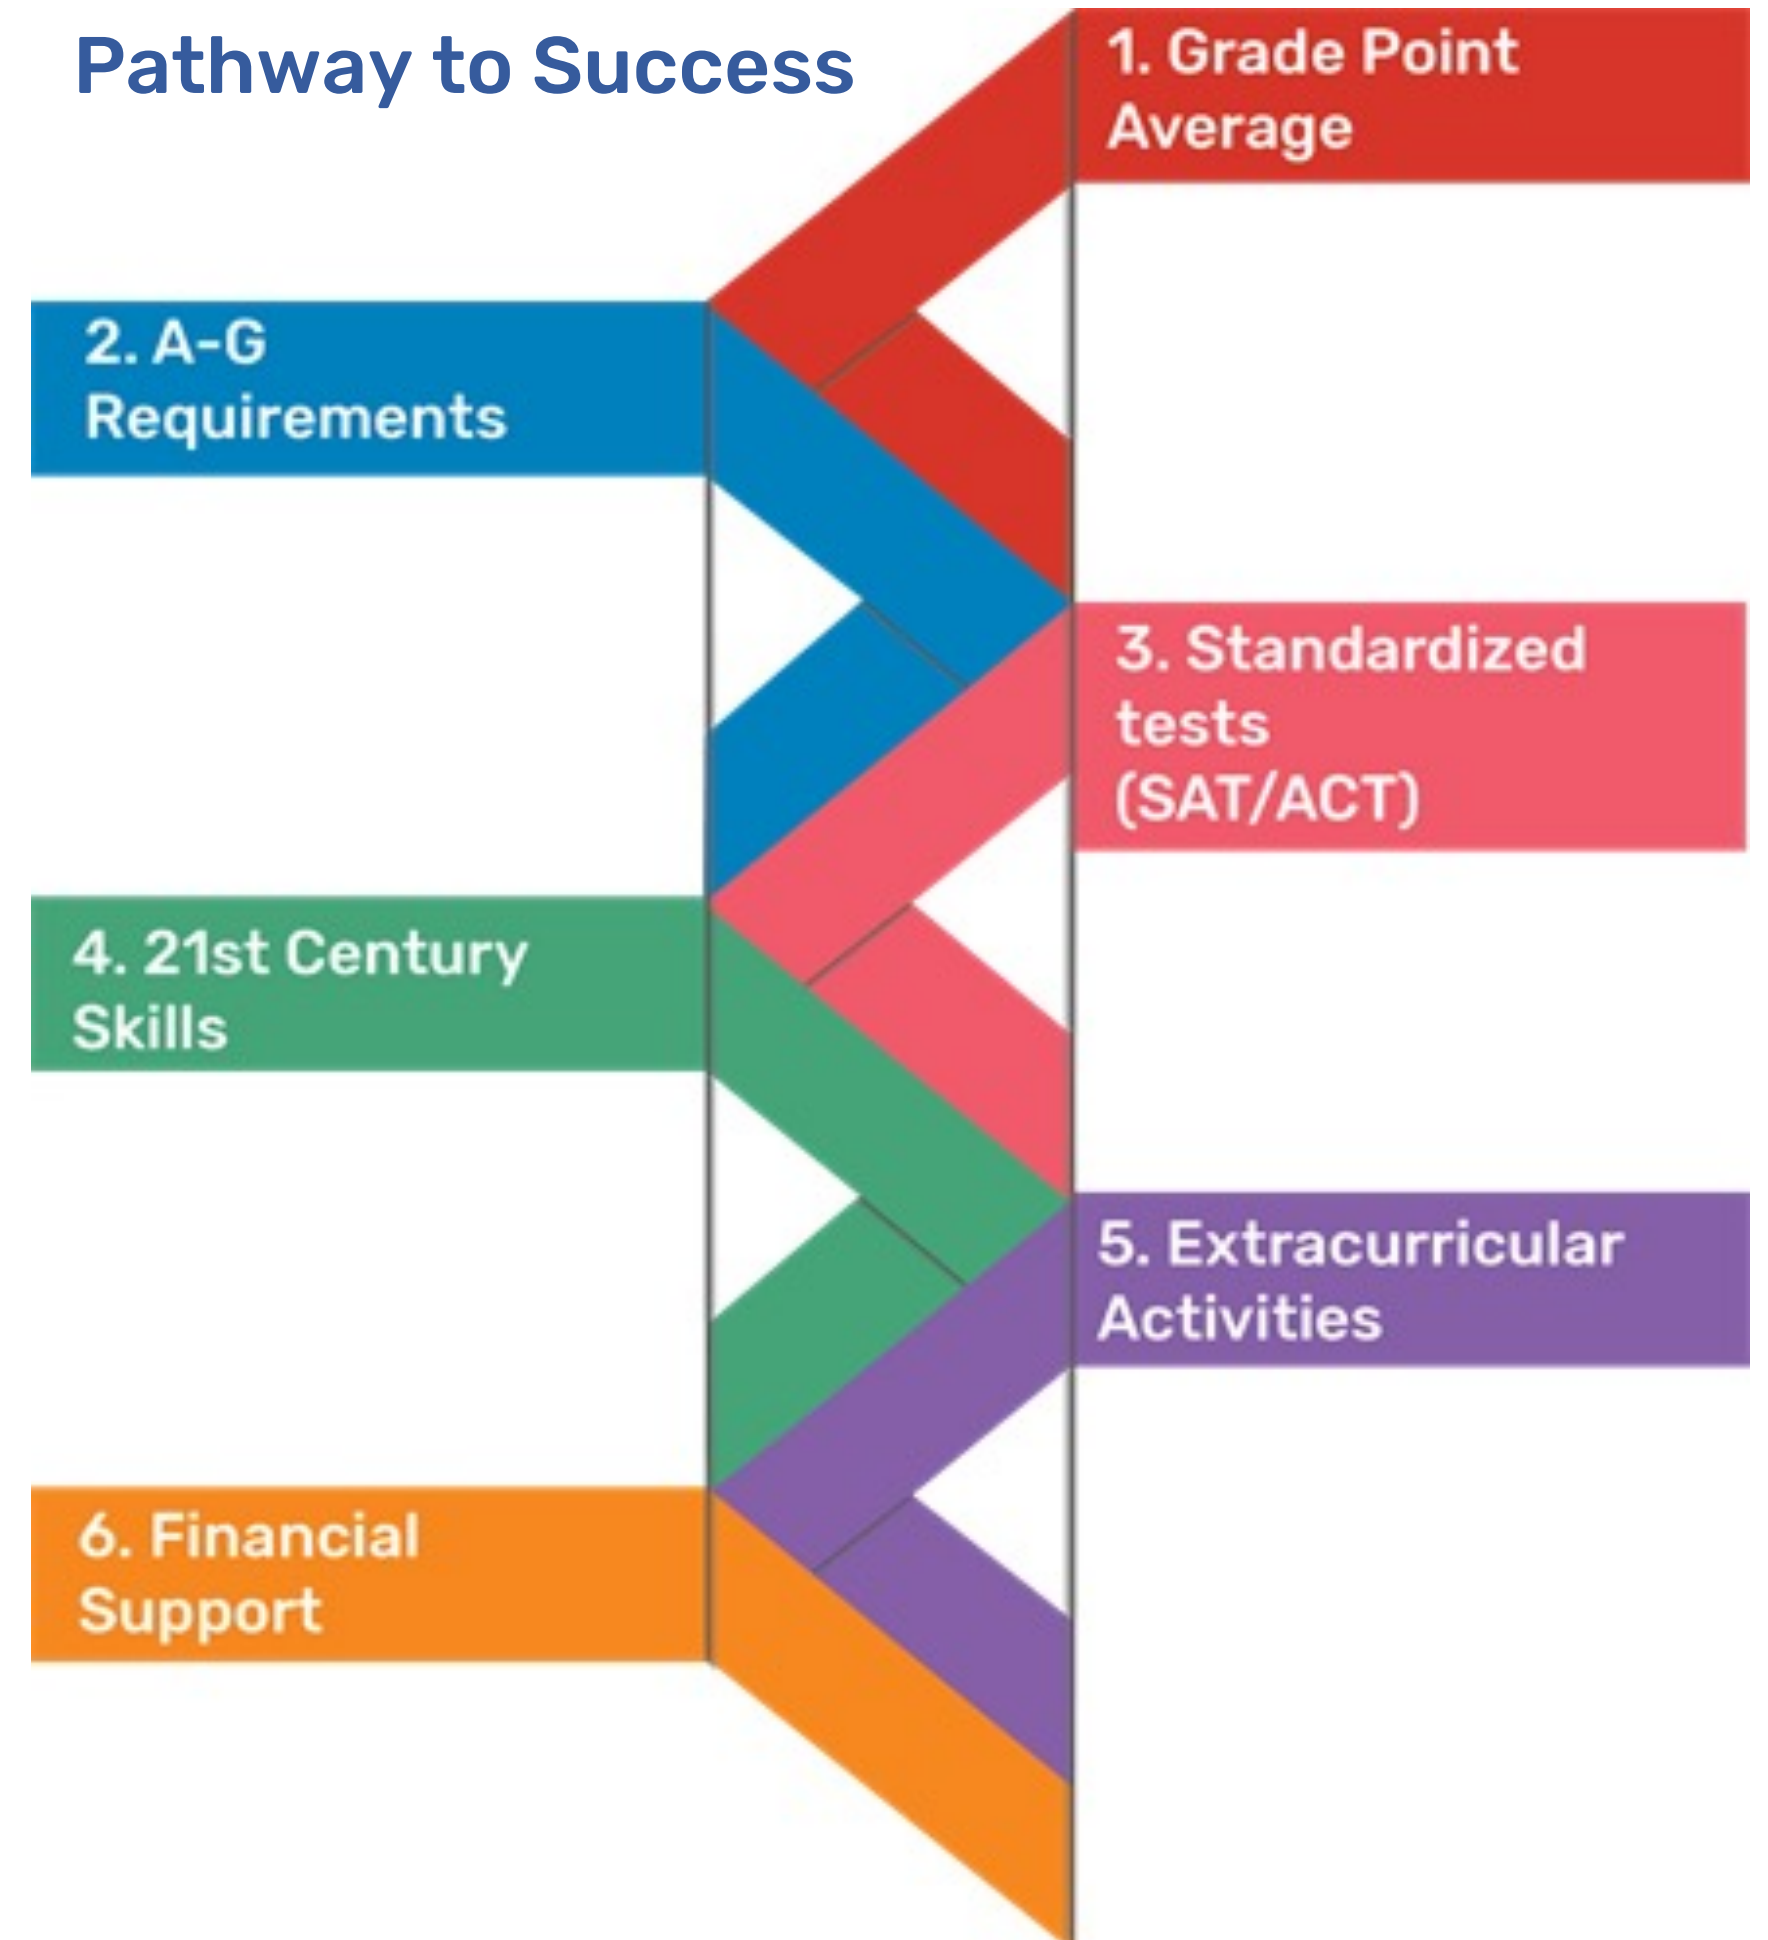

Engaging parents in the social, emotional and physical development of their child.

Mapping the way forward

Teaching parents about the school system empowers them to guide their child to go to college. Parents also learn about STEM-STEAM.

21st century skills

Provide parents with the necessary tools to help their child develop their capabilities that will help them strengthen their skills for life.

Parent Engagement Workshops

Parent Engagement Academy

Factor2 Program Description

Enabling Social Emotional Learning: Provide parents with tools and knowledge to deal with every stage of their child's development, ensuring a proper social emotional learning process.

STEM and the technology era: Update parent's knowledge about technology and show them the importance of STEM to succeed in this new era. Promote the importance of Common Core State Standards and mathematics in our child's student life.

SOCIAL AND EMOTIONAL LEARNING COMPETENCIES

- 1. SELF-AWARENESS**
The ability to accurately recognize one's own emotions, thoughts, and values and how they influence behavior. The ability to accurately assess one's strengths and limitations, with a well-grounded sense of confidence, optimism, and a "growth mindset."
- 2. SELF-MANAGEMENT**
The ability to successfully regulate one's emotions, thoughts, and behaviors in different situations – effectively managing stress, controlling impulses, and motivating oneself. The ability to set and work toward personal and academic goals.
- 3. SOCIAL AWARENESS**
The ability to take the perspective of and empathize with others including those from diverse backgrounds and cultures. The ability to understand social and ethical norms for behavior and to recognize family, school, and community resources and supports.
- 4. RELATIONSHIP SKILLS:**
The ability to establish and maintain healthy and rewarding relationships with diverse individuals and groups. The ability to communicate clearly, listen well, cooperate with others, resist inappropriate social pressure, negotiate conflict constructively, and seek and offer help when needed.
- 5. RESPONSIBLE DECISION-MAKING**
The ability to make constructive choices about personal behavior and social interactions based on ethical standards, safety concerns, and social norms. The realistic evaluation of consequences of various actions, and a consideration of the well-being of oneself and others

Factor-D
DUAL LANGUAGE LEARNING

Dual Language Learning is a form of bilingual education in which students are taught literacy and content in two languages.

Learn about the benefits that your children will have when enrolling in a Dual Language Program.

- 

How Dual Learning Programs work.
- 

How to facilitate the adoption of new languages in our children from an early age.
- 

What kind of skills do our children obtain by mastering more than one language.

Succeed in a multicultural world

- Know how Dual Learning increases the chances of college access and success in a multicultural world.
- Recognize the importance of our culture and the advantages that your children will have by being bilingual, bi-literate, and bicultural
- They will have greater job opportunities by obtaining the State Seal of Biliteracy.

- 

Our children will benefit of Bilingualism
- 

They will develop empathy for other cultures.
- 

They will demonstrate superior reading, writing, social, & cognitive skills
- 

Their cognitive abilities and emotional intelligence will improve.

SUCCESS STORY

Parent Engagement Academy

Since its establishment in August 2017, PEA has successfully partnered with 120 schools in 10 school districts and Charter schools. PEA's model is based on a collaborative approach anchored on partnerships with schools and organizations that directly impact change. PEA has a strong history of working collaboratively with the educational coalitions in a joint effort to promote and communicate a uniform message to school districts regarding the importance and urgency of addressing key issues that affect our most vulnerable communities.

At this point, The Factor program have been working with 10 school districts in the north and south of California and in Mexico.

PROGRAM IMPLEMENTATION

Parent Engagement Academy

Program Implementation

Parent Engagement Academy

We want to make sure our program supports your efforts to provide training and key information to parents, and engage them with their children in their children in their social, emotional and academic development.
